

Mr. Donald Tsang

Always wear a bow.
Sounds very low,
Sound like a cow.
People always ask him how to do now,
He always says 'I know!'
People asked him to do,
He never says no.
After he did something, people said wow!

He likes reading books,
His favourite villain is Captain Hook.
He likes to cook,
But always overcook.
Turn over the cookbook.
Follow the steps and hold a fork,
Open the can and have a look.
Smiling then action took.
